Manufactured from 100% cotton or super fleece material, our bathrobes are comfortable, warm, and most importantly long-lasting.

Embroidery

Our entire range of towels can also be embroidered with a word, initial, logo and coloured stitching of your choice to add a professional touch to your towels.

Fibre Pillows

Lay in mildness with our memory pillow that conforms to your head and neck, providing a superior level of comfort and stability while you sleep.

Luxury Quilt

Our Cotton Filled Quilt Cover features naturally lofted cotton fill that provides the same warming properties of natural goose down.

While most down alternative comforters are polyester-based our cotton comforter is 100% natural and machine washable.
